

CURRICULUM VITAE

ANGELO J. COLOSIMO, M.D.

CURRENT POSITION

Assistant Professor of Orthopaedic Surgery
Director, Division of Sports Medicine
Team Orthopaedic Surgeon
University of Cincinnati
Cincinnati, Ohio

Team Physician
Cincinnati Bengals Football Organization
National Football League
Paul Brown Stadium
Cincinnati, Ohio

Co-Director, Sports Medicine Fellowship
University of Cincinnati
Christ Hospital, Bone and Joint Institute
Wellington Sports Medicine, Dr. Rob Heidt, Jr.
Cincinnati, Ohio

Orthopaedic Consultant
Cincinnati Riverhawks Soccer Team

Team Physician
8 Local High Schools

SOCIETIES AND MEMBERSHIPS

- Active Member, Arthroscopy Association of North America
- Diplomat, American Board of Orthopaedic Surgery
- Diplomat, National Board of Medical Examiners
- Active Member, Delegate from Ohio, American Orthopaedic Society for Sports Medicine
- Active Member, American Orthopaedic Society for Sports Medicine
- Fellow, American College of Sports Medicine
- Active Member, Ohio Orthopaedic Society
- Member, Kentucky Orthopaedic Society
- Member, Piedmont Orthopedic Society
- Member, Freiberg Orthopaedic Society
- Associate Member, National Athletic Trainers Association
- Member, Board of Trustees, National Football Foundation and College Football Hall of Fame
- Abstract Reviewer, American College of Sports Medicine
- Member, USA Rugby Football Union Medical Committee
- Member, Ohio State Medical Association
- Member, Academy of Medicine of Cincinnati
- Board Member, University Orthopaedic Research Foundation
- Active Member, Northern Kentucky Medical Society
- Active Member, Kentucky Medical Association

- Member, Health Policy and Ethics Committee, American Orthopaedic Society for Sports Medicine
- Member, University of Cincinnati Sports Medicine Executive Staff
- Medical Director, Cincinnati Golden Gloves for Youth
- Board of Trustee, Northern Kentucky Skating Foundation
- Reviewer, Journal of Orthopaedic Research
- Member, Research Committee, American Orthopaedic Society for Sports Medicine
- Member, Council of Delegates, American Orthopaedic Society for Sports Medicine
- Member, Fellowship Directors Committee, American Orthopaedic Society for Sports Medicine

HIGH SCHOOL EDUCATION

Roosevelt High School
Yonkers, New York
June 1976 (32/860)

Activities

- Varsity Football – Captain 1975-1976, lettered three years
- Varsity Baseball – Captain 1975-1976, lettered three years
- Varsity Basketball, lettered three years
- Student Government – Class Senator 1975-1976
- School Band – Trumpet & French Horn

Honors & Awards

- National Football Foundation Scholar Athlete, 1975-1976
- Prep All-American Football Team
- New York Jets Touchdown Club High School MVP – New York
- National Honor Society
- Enrico Fermi Foundation Scholarship for Academic Achievement
- National Order of the Sons of Italy Scholarship

UNDERGRADUATE EDUCATION

B.A. Biochemistry
Colgate University
Hamilton, New York
June 1980
*Graduated – Cum Laude

Activities

- Varsity Football – Captain 1979-1980, lettered four years
- Weight Lifting Team
- Big Brother Program
- Horseback Riding and Training Horses, Beech-Hill, Summers 1977-1982
- Cornell University Medical Center, Cardiac Lab, Summer 1976

Academic Honors and Awards

- Tri-Beta Honorary Biological Society, 1979-80
- Charles A. Dana Award for Outstanding Academic Achievement in the Sciences, 1979
- Cobb Fellowship Award for Academic Achievement and Community Service, 1979
- Leo H. Speno Memorial Pre-Med Scholarship for Advanced Medical Studies, 1979

- East Coast Athletic Conference (ECAC) Scholar Athlete of the Year, 1980
- Nomination for the Rhodes Scholarship (withdrew to pursue a medical career)

Athletic Honors and Awards

- First Team Cosida Academic All-American, 1978-1979 & 1979-1980
- Induction into the National Football Foundation and College Hall of Fame, 1979-1980
- AP/UPI Honorable Mention All-American, 1979-1980
- Second Team All-East, All-ECAC, 1978-1979
- First Team All-East, All-ECAC, 1979-1980
- NCAA Post Graduate Scholarship for Study in Medicine, 1980
- Medical Economics, Inc., Scholarship for Athlete Pursuing a Career in Medicine, 1979
- Free Agent, New England Patriots, 1980

Undergraduate Research

- Photoproducts of PABA with Dr. Frank Gasparro, Colgate University

MEDICAL SCHOOL

M.D. Degree
New York University Medical School
June 1984

- Passed Part I, II, III of the National Boards
- Diplomat, National Board of Medical Examiners

RESIDENCY TRAINING – ORHOPAEDIC SURGERY

Duke University Medical Center
Durham, North Carolina

- Orthopaedic Surgery Chief Resident, 1989-1990 (James R. Urbaniak, M.D., Chief)
- Orthopaedic Surgery Resident, PGY 3, 4, and 5, 1986-1989
- General & Thoracic Surgery Junior Resident, 1985-1986 (David C. Sabiston, Jr., Chairman)
- General & Thoracic Surgery Intern, 1984-1985 (David C. Sabiston, Jr., Chairman)

FELLOWSHIP TRAINING – SPORTS MEDICINE

Kentucky Sports Medicine Clinic
Lexington, Kentucky
Orthopaedic Sports Medicine
July 1, 1990 – June 30, 1991

Activities

- Assist coverage at the University of Kentucky Football Home & Away Games and Training Room for all Sports Programs, 1990-1991
- Coverage Eastern Kentucky University Basketball Home & Away Games and Training Room, 1990-1991
- Team Physician, Eastern Kentucky University, 1990-1991
- Coverage Bryan Station High School, All Sports, 1990-1991

LICENSURE

- Licensed in Kentucky, Ohio, and North Carolina
- Board Certified American Board of Orthopaedic Surgery

MEETINGS ATTENDED

- Arthroscopy Association of North America; November 3-8, 1987
- ACL Study Group, Dr. John Feagin; March 19-26, 1988
- Musculoskeletal Pathology, Dr. W. Enneking; November 1989
- American College of Sports Medicine, Southeastern Regional; January 1991
- Southwestern Medical Orthopaedic Review Course; May 18-20, 1991
- American College of Sports Medicine, National Meeting; May 28-June 1, 1991
- American Academy of Orthopaedic Surgeons, National Meeting, Washington, DC; February 21-24, 1992
- American Orthopaedic Society of Sports Medicine, National Meeting, San Diego, CA; July 6-9, 1992
- American Academy of Orthopaedic Surgeons, National Meeting, San Francisco, CA; February 18-23, 1993
- University of Cincinnati, Department of Orthopaedic Surgery, and Cincinnati Sports Medicine Research and Education Foundation, 1993 Advances on the Knee and Shoulder Course, Hilton Head, SC; May 30-June 2, 1993
- Multi-Specialty Group Practice: Cincinnati's Future, Academy of Medicine of Cincinnati; October 19, 1993
- American Academy of Orthopaedic Surgeons, National Meeting, New Orleans, LA; February 24-March 1, 1994
- Children's Hospital Medical Center Cincinnati, Pediatric Sports Medicine Symposium, Kings Island Inn, Mason, OH; May 20, 1994
- Cincinnati Sports Medicine Research and Education Foundation, 1994 Controversies on the Knee and Shoulder, Hilton Head, SC; May 28-30, 1994
- American Orthopaedic Society for Sports Medicine, Annual Meeting, Palm Desert, CA; June 26-29, 1994
- American Academy of Orthopaedic Surgeons, National Meeting, Orlando, FL; February 16-21, 1995
- Arthroscopy Association of North America, Annual Meeting, San Francisco, CA; May 4-7, 1995
- National Athletic Trainers Association, Annual Meeting & Clinical Symposia, Indianapolis, IN; June 14-17, 1995
- American Academy of Orthopaedic Surgeons, National Meeting, Atlanta, GA; February 23-26, 1996
- American College of Sports Medicine, Annual Meeting, Cincinnati, OH; May 29-June 1, 1996
- National Athletic Trainers Association, Annual Meeting, Orlando, FL; June 12-15, 1996
- American Orthopaedic Society for Sports Medicine, Annual Meeting, Orlando, FL; June 16-20, 1996
- American Academy of Orthopaedic Surgeons, Annual Meeting, San Francisco, CA; February 13-17, 1997 (29.5 CME)
- American College of Sports Medicine, Annual Meeting, Denver, CO; May 28-31, 1997
- Annual Fall Sports Medicine Symposium, Lexington, KY; November 30, 1998
- American College of Sports Medicine, Annual Meeting, Orlando, FL; June 3-6, 1998 (15 CME)
- Annual Fall Sports Medicine Symposium, Lexington, KY; November 13-14, 1998 (11 CME)

- American Sports Medical Institute, Annual Injuries in Baseball Course, Birmingham, AL; January 21-24, 1999 (22 CME)
- Annual Arthroscopy Association of North America Meeting, Vancouver, BC; April 15-18, 1999 (18 CME)
- Piedmont Orthopedic Society, Annual Meeting, Duke University School of Medicine, Sea Island, GA; May 12-16, 1999 (18 CME)
- Sports Medicine Concepts, Covington, KY; May 21-23, 1999 (19 CME)
- American College of Sports Medicine, Annual Meeting, Seattle, WA; June 2-5, 1999; 15 CME
- Cogmet Orthopaedic Surgery Educational Day, Sports Knee, Michigan State University, East Lansing, MI; August 11, 1999 (7 CME)
- Current Concepts in Shoulder & Elbow Reconstructive Surgery, Annual Symposium, New York Medical College; September 30-October 1, 1999 (14 CME)
- American College of Sports Medicine, Annual Meeting, Seattle, WA; June 2-5, 1999 (15 CME)
- 12th Annual Fall Sports Medicine Symposium, Kentucky Sports Medicine Clinic; November 19-20, 1999 (11 CME)
- Conference USA Sports Medicine Symposium 2000, Memphis, TN; March 8, 2000
- Arthroscopy Association of North America; Annual Meeting, Miami Beach, FL; April 13-16, 2000 (17.25 CME)
- Piedmont Orthopedic Society, Amelia Island, FL; May 2-7, 2000
- American College of Sports Medicine, Indianapolis, IN; May 31-June 3, 2000
- American Orthopaedic Society for Sports Medicine Annual Meeting; Sun Valley, ID; June 18-22, 2000
- College & High School Athlete Sports Medicine Conference, Covington, KY; August 3-6, 2000 (27.5 CME)
- Southern Orthopaedic Society Ski Meeting, Park City, UT; February 2-6, 2001
- American College of Sports Medicine, Baltimore, MD; May 30-June 2, 2001
- College & High School Athlete Sports Medicine Conference, Florence, KY; July 18-21, 2001 (27.5 CME)
- Kentucky Sports Medicine Conference, Lexington, KY; November 16, 2001
- Piedmont Orthopedic Society Meeting, Annual Meeting, Bermuda; May 15-19, 2002 (28.25 CME)
- College & High School Athlete Sports Medicine Conference, Columbus, OH; July 25-28, 2002 (30 CME)
- American Academy of Orthopaedic Surgeons, New Orleans, Louisiana. February 5-9, 2003 (28 CME)
- National Football League Physician's Society Mini-Fellowship, Indiana University. February 19-22, 2003 (30.50 CME)
- Southern Medical Association "Hot Topics in Cold Weather", Steamboat Springs, CO. March 2-7, 2003 (18.5 CME)
- 1st Annual K. Douglas Bowers Lectureship in Orthopaedics, WVU Eye Institute, Morgantown, WV. September 12-13, 2003 (8.0 CME)
- National Football League Physicians Society Scientific Meeting and NFL Combine Physical Exams 2004, Indiana University. February 19-22, 2004 (31.75 CME)
- 23rd Annual Injuries in Baseball Course, DoubleTree Paradise Valley Resort, Scottsdale, Arizona. January 14-16, 2005 (23 CME)
- 53rd Annual Meeting of the Piedmont Orthopaedic Society, The Cloister, Sea Island, Georgia. May 11-15, 2005 (21.75CME)
- National Football League Physicians Society Scientific Meeting and NFL Combine Physical Exams 2006, Indiana University. February 23-26, 2006 (30.00 CME)

PRESENTATIONS & LECTURES

National

Thigh Compartment Syndrome in a Football Athlete: A Case Report

American College of Sports Medicine Annual Meeting, Orlando, FL; May 31, 1991

Isokinetic Peak Torque and Knee Joint Laxity Comparison in Female Basketball and Volleyball Collegiate Athletes

American College of Sports Medicine Annual Meeting, Orlando, FL; May 31, 1991

The Female Athlete

"A Closer Look" with Faith Daniels, NBC-TV; September 20, 1991

NCAA

Featured in NCAA Commercial Announcement Promoting College Athletes and Educational Opportunities

Nerve Injuries to the Shoulder in Sports

1993 Advances on the Knee and Shoulder Course, sponsored by University of Cincinnati, Department of Orthopaedic Surgery and Cincinnati Sports Medicine Research and Foundation, Hilton Head, SC; May 30-June 2, 1993

Peripheral Nerve Injuries of the Shoulder in the Athlete

1994 Controversies on the Knee and Shoulder, sponsored by Cincinnati Sports Medicine Research and Education Foundation, Hilton Head, SC; May 28-30, 1994

Peripheral Nerve Injuries in the Athlete's Shoulder

Current Concepts in Shoulder Reconstructive Surgery, New York Medical College, Department of Orthopaedic Surgery, Westchester County, NY; April 20, 1995

Treatment of Plantar Fasciitis with Iontophoresis of Dexamethasone

American Orthopaedic Society for Sports Medicine, Annual Meeting, Toronto, Ontario, Canada; Presenter: Dr. Scott Gudeman, M.D.; July 16-19, 1995

Holmium Arthroscopy of the Knee

Progressive Techniques in Holmium Laser Arthroscopy, American Academy of Orthopaedic Surgeons, Atlanta, GA; February 21, 1996

Clinical Workshops – Examination on of the Knee

Chair, American College of Sports Medicine, Annual Meeting, Cincinnati, OH; May 30, 1996

Clinical Case Slide Presentation – Musculoskeletal Knee

Chair, American College of Sports Medicine, Annual Meeting, Cincinnati, OH; May 31, 1996

Arthroscopic Knee Applications

Progressive Techniques in Holmium Laser Arthroscopy and Spinal Endoscopy, American Academy of Orthopaedic Surgeons, Annual Meeting, San Francisco, CA; February 12, 1997

Clinical Case Slide Presentation – Knee Injury

Consultant, American College of Sports Medicine, Annual Meeting, Denver, CO; May 29, 1997

Clinical Case Slide Presentation – Foot and Ankle Injury

Consultant, American College of Sports Medicine, Annual Meeting, Denver, CO; May 30, 1997

Clinical Case Slide Presentation – Soccer

Chair, American College of Sports Medicine, Annual Meeting, Denver, CO; May 31, 1997

Cadaveric Shoulder Arthroscopic Procedures

DePuy Ortho Tech National Sales Meeting, Chicago, IL; June 21, 1997

Revision ACL Reconstructions

Duke University, Department of Orthopedic Surgery Grand Rounds, Durham, NC; November 12, 1997

Reharvest of the Ipsilateral Central Third Patellar Tendon Autograft for Revision ACL Reconstruction

ACL Study Group, Beaver Creek, CO; March 28-April, 1998

The Knee 1998 – Injuries: Role of Surgical Treatment and Rehabilitation

Clinical Lecture, American College of Sports Medicine, Annual Meeting, Orlando, FL; June 3, 1998

Revision ACL

Current Concept in Knee Reconstructive Surgery, New York Medical College; October 29, 1998

Articular Cartilage Injuries – Treatment Options

Current Concepts in Knee Reconstructive Surgery, New York Medical College; October 29, 1998

Mosaicplasty – Videotape Presentation

Current Concepts in Knee Reconstructive Surgery, New York Medical College, October 30, 1998

Current Concepts of Arthroscopic Treatment of Labral Injuries in the Thrower

American Sports Medicine Institute, Annual Injuries in Baseball Course, Birmingham, AL;
January 24, 1999

Ankle Injuries

Discussant for Clinical Case Session, American College of Sports Medicine, Annual Meeting, Seattle, WA; June 2, 1999

Football – Shoulder Subluxation in the Offensive Lineman

Case Presentation, American College of Sports Medicine, Annual Meeting, Seattle, WA; June 3, 1999

Protective Athletic Equipment of the Lower Extremity

American College of Sports Medicine, Annual Meeting, Seattle, WA; June 4, 1999

ACL Injuries – From Basic Science, Treatment, and Prevention, Revision ACL

American College of Sports Medicine, Annual Meeting, Seattle, WA; June 4, 1999

Pathophysiology and Evaluation of Shoulder Impingement

Current Concepts in Shoulder and Elbow Reconstructive Surgery, New York Medical College, Annual Symposium, Rye, NY; September 30, 1999

Evaluation and Treatment Algorithm for Anterior and Multi-Directional Instability

Current Concepts in Shoulder and Elbow Reconstructive Surgery, New York Medical College, Annual Symposium, Rye, NY; October 1, 1999

Simultaneous ACL/PCL Reconstruction in Knee Dislocations

Arthroscopic Association of North America, Annual Meeting; Miami, FL; April 13, 2000

Surgical Treatment of Knee Dislocations – Simultaneous ACL/PCL Reconstructions

Piedmont Orthopedic Society, Amelia Island, FL; May 3, 2000

Football

American College of Sports Medicine, Indianapolis, IN; June 1, 2000

Acute Sideline Management of Common Dislocations

American College of Sports Medicine, Indianapolis, IN; June 2, 2000

Examination of the Knee

American College of Sports Medicine, Indianapolis, IN; June 3, 2000

Arthroscopic Laser Assisted Capsular Shift in the Treatment of Multi-Directional Instability

American Orthopaedic Society for Sports Medicine, Annual Meeting, Sun Valley, ID; June 19, 2000

Choosing a Graft for Ligament Reconstruction

Southern Orthopaedic Society Ski Meeting, Park City, UT; February 3, 2001

Management of Chondral Knee Injuries

Southern Orthopaedic Society Ski Meeting, Park City, UT; February 4, 2001

Clinical Case Slide Presentation – Knee

American College of Sports Medicine, Baltimore, MD; June 1, 2001

Examination of the Knee

American College of Sports Medicine, Baltimore, MD; June 1, 2001

Meniscal Injuries and Allografts

American College of Sports Medicine, Baltimore, MD; June 1, 2001

Chrisman-Snook Lateral Ankle Reconstruction – Review of 18 Cases Utilizing a Tendon Stripper for Harvesting the Peroneal Brevis

American Academy of Orthopaedic Surgeons Meeting, Specialty Day, San Francisco, CA; 2001

Traumatic Rupture of the Ischial Origin of the Hamstring in Professional Athletes – A Report of Two Cases and Review of the Literature

National Football League Physician Sports Science Symposium, Indianapolis, IN; March 1, 2002

ACL Revisions

Piedmont Orthopedic Society, Annual Meeting, Bermuda; May 16, 2002.

Sideline Decisions – Close Encounters We Have Seen From Head to Toe

American College of Sports Medicine, Annual Meeting, St. Louis, MO; May 31, 2002.

The effect of pre-, peri- and post-operative rofecoxib (vioxx) on pain and narcotic use after ACL reconstruction.

American College of Sports Medicine 50th Annual Meeting, San Francisco, CA; June 2003.

Traumatic rupture of the ischial origin of the hamstring in professional football players.

American College of Sports Medicine 50th Annual Meeting, San Francisco, CA; June 2003.

Acute traumatic first rib fracture in the contact athlete.

American College of Sports Medicine 50th Annual Meeting, San Francisco, CA; June 2003.

Advances on surgical procedures for treatment of traumatic anterior shoulder instabilities in the throwing athlete

9th Annual AOSSM/SPTS Pre-conference course in San Diego, CA; July 19, 2003.

The effect of pre-, and post-operative rofecoxib (vioxx) on pain and narcotic use after ACL reconstruction.

Arthroscopic Association of North America Annual Meeting, Orlando, FL; April 2004.

Effect of laser in arthroscopic knee surgery.

American College of Sports Medicine 51st Annual Meeting, Indianapolis, IN; June 2004.

The efficacy of rofecoxib vs. valecoxib on pain and narcotic use after arthroscopic meniscectomy.

American College of Sports Medicine 51st Annual Meeting, Indianapolis, IN; June 2004.

The efficacy of rofecoxib vs. valdecoxib on pain and narcotic use after arthroscopic meniscectomy.

American Orthopaedic Society for Sports Medicine 30th Annual Meeting, Quebec City, Canada; June 2004.

Biomechanical measures of neuromuscular control and valgus loading of the knee predict ACL injury risk in female athletes: a prospective study.

American Orthopaedic Society for Sports Medicine 30th Annual Meeting, Quebec City, Canada**; June 2004.

** Received the O'Donoghue Award to be presented at 2004 American Orthopaedic Society of Sports Medicine Annual Meeting. This award is given to the best overall paper that deals with clinical based research or human in-vivo research.

The Little Leaguers Elbow

American Sports Medicine Institute's 23rd Annual Injuries in Baseball Course, Scottsdale, AZ; January 14-16, 2005.

Arthritic Advances in the Arthritic Patient Part II

Advances in Arthritis and Orthopaedics. Philadelphia, PA; April 29 & 30th, 2006.

The Role of High Tibial Osteotomy in the Arthritic Patient

Advances in Arthritis and Orthopaedics. Philadelphia, PA; April 29 & 30th, 2006.

Regional

Stress Fractures of the Hip in Female Athletes

American College of Sports Medicine, Southeastern Regional Meeting, Louisville, KY; January 1991

Knee Injuries in Athletes – Case Presentations

Kentucky Sports Medicine, Annual Fall Sports Medicine Symposium, Lexington, KY; April 18, 1991

Stress Fractures in the Athlete

Kentucky Sports Medicine, Annual Fall Sports Medicine Symposium, Lexington, KY; April 18, 1991

Evaluation and Treatment of Acute Knee Injuries

Kentucky Medical Association, Coaches Symposium, Richmond, KY; June 22, 1991

Anatomic Dissection of the Knee

Kentucky Sports Medicine, Annual Fall Sports Medicine Symposium, Lexington, KY; November 1, 1991

Knee Injuries of the Adolescent Athlete

Kentucky Sports Medicine, Annual Fall Sports Medicine Symposium, Lexington, KY; November 1, 1991

Knee Injuries in Female Volleyball and Basketball Players

Kentucky Sports Medicine, Annual Fall Sports Medicine Symposium, Lexington, KY; November 1, 1991

Knee and Ankle Arthroscopy

Kentucky Podiatric Society, Covington, KY; November 14, 1992

Acute Knee Injuries

Advances in Family Medicine Symposium, Albert R. Sabin Convention Center, Cincinnati, OH;
May 6, 1993

Indications, Contraindications and Operative Techniques for Laser Surgery of Knee and Shoulder Arthroscopy

St. Elizabeth Hospital, Holmium – YAG Laser Training Workshop for Orthopaedic Surgery, Dayton, OH;
April 3, 1996

Posterior Cruciate Ligament Injuries

OH Athletic Trainers Association, Annual Symposium, Cincinnati, OH; May 4, 1996

Laser Applications in Knee and Shoulder Arthroscopy

St. Elizabeth Hospital, Cleveland, OH; November 20, 1996

Laser Applications in Knee and Shoulder Arthroscopy

Clarksville Memorial Hospital, Clarksville, TN; July 14, 1997

New Advances in Posterior Cruciate Ligament Reconstruction

Kentucky Sports Medicine, Annual Fall Sports Medicine Symposium, Lexington, KY; October 31, 1997

New Advances in Laser Arthroscopy

Kentucky Sports Medicine, Annual Fall Sports Medicine Symposium, Lexington, KY; October 31, 1997

Diagnosis and Treatment of PCL Injuries in the Athlete

University of Cincinnati, Conference USA Sports Medicine Symposium, Cincinnati, OH; March 4, 1998

The Knee – Operative Advances and New Techniques

Kentucky Sports Medicine, Annual Fall Sports Medicine Symposium, Lexington, KY; November 13, 1998

Stabilization Procedure for the Gleno-Humeral Joint

Sports Medicine Concepts, Embassy Suites Hotel, Covington, KY; May 21, 1999

Revision of the ACL

Sports Medicine Concepts, Embassy Suites Hotel, Covington, KY; May 22, 1999

Meniscus Repair Versus Allograft

Sports Medicine Concepts, Embassy Suites Hotel, Covington, KY; May 22, 1999

Meniscal Repair/Transplants

Michigan State University, Michigan Athletic Club, Cogmet Orthopaedic Surgery Educational Day, East Lansing, MI; August 11, 1999

Making the Diagnosis – Impingement/Instability

Kentucky Sports Medicine, Annual Fall Sports Medicine Symposium, Lexington, KY; November 19, 1999

Meniscal Repair and Transplantation

Conference USA Sports Medicine Symposium, Memphis, TN; March 8, 2000

Surgical Options for Labral Tear and Shoulder Instability

College & High School Athlete Sports Medicine Conference, Covington, KY; August 3, 2000

UCL Reconstruction of the Elbow in Throwers

College & High School Athlete Sports Medicine Conference, Covington, KY; August 4, 2000

Revision ACL Techniques and Graft Options in the Athlete

College & High School Athlete Sports Medicine Conference, Covington, KY; August 5, 2000

Meniscus Allograft Update

College & High School Athlete Sports Medicine Conference, Covington, KY, August 5, 2000

Role of Meniscal Allograft

Kentucky Sports Medicine, Annual Fall Sports Medicine Symposium, Lexington, KY; November 10, 2000

Comprehensive Update of the Shoulder

Kentucky Physical Therapy Association, Thomas Moore College, Ft. Mitchell, KY; March 31, 2001

Sideline Decisions and Close Encounters

Kentucky Sports Medicine, Annual Fall Sports Medicine Symposium, Lexington, KY; November 16, 2001

Treatment and Diagnosis of Cruciate Injuries

Orthopaedic MRI and Sports Medicine Scrimmage, Paul Brown Stadium, Cincinnati, OH; February 22, 2002

Injuries to the Posterior Cruciate Ligament in Athletes

OH Athletic Trainers Association, Annual Symposium, Cincinnati, OH; May 3, 2002

Surgical Options in Shoulder Instability: Arthroscopic versus Open

College & High School Athlete Sports Medicine Conference, Columbus, OH; July 25, 2002

Ulnar Collateral Ligament Reconstruction

College & High School Athlete Sports Medicine Conference, Columbus, OH; July 25, 2002

Revision ACL Reconstruction, Technique and Graft Options

College & High School Athlete Sports Medicine Conference, Columbus, OH; July 27, 2002

Current Techniques in PCL Surgical Repair

College & High School Athlete Sports Medicine Conference, Columbus, OH; July 27, 2002

Meniscus Allografts and Their Use in Athletes

College & High School Athlete Sports Medicine Conference, Columbus, OH; July 28, 2002

Sideline Decisions: Return to Play-From Head to Toe Case Based Discussion

American Academy of Orthopaedic Surgeons, New Orleans, Louisiana; February 5, 2003

Shoulder Dislocation Treatment Algorithm

College & High School Athlete Sports Medicine Conference, Columbus, OH; June 4, 2004

Reconstruction of the Ulnar Collateral Ligament in Throwers

College & High School Athlete Sports Medicine Conference, Columbus, OH; June 4, 2004

Lateral Knee Syndrome in the Female Athlete

College & High School Athlete Sports Medicine Conference, Columbus, OH; June 6, 2004

Your Athlete's ACL Has Re-torn, Now What

College & High School Athlete Sports Medicine Conference, Columbus, OH; June 6, 2004

Local

Shoulder Arthroscopy

University of Cincinnati, Department of Orthopaedic Surgery, Grand Rounds Presentation, Cincinnati, OH; October 16, 1991

Overuse Injuries in the Athlete

Meniscal Repair

Bethesda Oak Hospital, Department of Orthopaedic Surgery, Cincinnati, OH; November 2, 1994

Meniscal Form, Function and Repair

University of Cincinnati, Sports Medicine Conference, Cincinnati, OH; January 17, 1995

Natural History and Injury to the Posterior Cruciate Ligament

The Christ Hospital, Annual Sports Medicine Symposium for Health Care Professionals, Cincinnati, OH; March 25, 1995

Clinical Evaluation of the Foot and Ankle

University of Cincinnati, Occupational and Environmental Medicine Division, Occupational Medicine Training Course, Cincinnati, OH; June 8, 1995

Acute Knee Injuries

University of Cincinnati, Department of General Internal Medicine, Cincinnati, OH; June 14, 1995

Acute Injuries of the Knee

University of Cincinnati, Occupational and Environmental Medicine Division, Occupational Medicine Training Course, Cincinnati, OH; June 15, 1995

Cartilage Pathophysiology

University of Cincinnati, Sports Medicine Conference, Cincinnati, OH; September 26, 1995

Shoulder Disorders

University of Cincinnati, Physical Medicine and Rehabilitation Lecture Series, Cincinnati, OH; September 28, 1995

Approach to the Acutely Injured Knee

University of Cincinnati, Radiology Department Fall Seminar, Cincinnati, OH; November 4, 1995

Posterior Cruciate Ligament

University of Cincinnati, Sports Medicine Conference, Cincinnati, OH; November 14, 1995

Knee Anatomy

University of Cincinnati, Gross Anatomy Teaching Program, Cincinnati, OH; December 1, 1995

Laser Arthroscopy of the Knee

University of Cincinnati, Holmium Laser Arthroscopy Course, Cincinnati, OH; January 17, 1996

Acute Knee Injuries

University of Cincinnati, Physical Medicine and Rehabilitation Resident Lecture Series, Cincinnati, OH; March 28, 1996

Meniscal Repair

Christ Hospital, Orthopaedic Surgery Staff Meeting, Cincinnati, OH; April 10, 1996

Acute Knee Injuries

University of Cincinnati, Department of Emergency Medicine Resident Conference, Cincinnati, OH; May 29, 1996

Clinical Evaluation of the Painful Knee

University of Cincinnati, Occupational and Environmental Medicine Division, Occupational Medicine Training Course, Cincinnati, OH; July 13, 1996

Ankle and Foot Problems

University of Cincinnati, Occupational and Environmental Medicine Division, Occupational Medicine Training Course, Cincinnati, OH; July 13, 1996

Acute Knee Injuries

University of Cincinnati, Department of Internal Medicine, Cincinnati, OH; October 25, 1996

Shoulder – Anatomy, Evaluation and Treatment

University of Cincinnati, Department of Physical Medicine and Rehabilitation Resident Lecture Series, Cincinnati, OH; November 1, 1996

Anatomy and Injuries of the Knee

University of Cincinnati, First Year Medical Gross Anatomy Course, Cincinnati, OH; November 27, 1996

Prevention of In-Line Skate and Bike Injuries

Channel 19, FOX WXIX, December 5, 1996

The Female Athlete

St. Ursuline Academy, Cincinnati, OH; May 20, 1997

Clinical Evaluation of the Painful Knee

University of Cincinnati, Occupational and Environmental Medicine Division, Occupational Medicine Training Course, Cincinnati, OH; July 10, 1997

Ankle and Foot Problems

University of Cincinnati, Occupational and Environmental Medicine Division, Occupational Medicine Training Course, Cincinnati, OH; July 12, 1997

Cold Injury Management

Perfect North Slopes Ski Patrol, OEC Refresher, Lawrenceburg, IN; October 5, 1997

Acute Knee Injuries in the Athlete

University of Cincinnati, Occupational and Environmental Medicine Division, Occupational Medicine Training Course, Cincinnati, OH; June 11, 1998

Diagnosis and Treatment of Foot and Ankle Injuries

University of Cincinnati, Occupational and Environmental Medicine Division, Occupational Medicine Training Course, Cincinnati, OH; June 17, 1998

Arthroscopic Applications of the Holmium YAG Laser of the Knee and Shoulder

University of Cincinnati, Department of Orthopaedic Surgery, Laser Certification Course, Cincinnati, OH; August 1, 1998

Treatment of Acute Knee Injuries

University of Cincinnati, Department of Emergency Medicine Grand Rounds, Cincinnati, OH; August 5, 1998

Acute Knee Injuries in the Athlete

University of Cincinnati, Occupational and Environmental Medicine Division, Occupational Medicine Training Course, Cincinnati, OH; June 16, 1999

Foot and Ankle Injuries

University of Cincinnati, Occupational and Environmental Medicine Division, Occupational Medicine Training Course, Cincinnati, OH; June 23, 1999

Innovative Approaches to the Treatment of PCL Injuries

Spectrum Rehabilitation, Annual Sports Medicine Symposium, Cincinnati, OH; March 8, 2000

Bones, Joints and Muscles – Beauty is Only Skin Deep

University of Cincinnati, Mini Medical College, Cincinnati, OH; April 19, 2000

Multi-Directional Instability of the Shoulder

University of Cincinnati, Sports Medicine Conference, September 12, 2000

Knee Update

College of Mount Saint Joseph, Physical Therapy Program, Cincinnati, OH; October 19, 2000

Clinical Evaluation of the Painful Knee

University of Cincinnati, Occupational Medicine Training Course, Cincinnati, OH; October 25, 2000

Role of Meniscal Allograft

University of Cincinnati, Department of Orthopaedic Surgery Grand Rounds, Cincinnati, OH;
January 6, 2001

Ulnar Collateral Ligament Reconstruction

University of Cincinnati, Sports Medicine Conference, Cincinnati, OH; April 24, 2001

The Role of Meniscal Allografts

University of Cincinnati, Sports Medicine Conference, Cincinnati, OH; April 30, 2002

Diagnosis and Treatment of Cruciate Injuries

Orthopaedic MRI and Sportsmedicine Scrimmage, Paul Brown Stadium, Cincinnati, Ohio; February 28,
2003

ACL Knee Injuries in Adolescents

Cincinnati Childrens Sports Medicine Symposium, Cincinnati, Ohio; April 16, 2004

Surgical Options in the Unstable Shoulder; Open vs. Arthroscopic

High School and Collegiate Sports Medicine Conference, Cincinnati, OH; July 22, 2005

Surgical Techniques in the Throwers Elbow

High School and Collegiate Sports Medicine Conference, Cincinnati, OH; July 22, 2005

Hamstring Avulsion the Hidden Pathology

High School and Collegiate Sports Medicine Conference, Cincinnati, OH; July 23, 2005

Elbow Injuries in Female Athletes

Cincinnati Childrens Sports Medicine Symposium, Cincinnati, Ohio; November 4, 2005

Meniscal Evaluation & Repair – Dx & Rx: Open or Scope

4th Annual "Trauma 101" Fracture Care For The Community Orthopedist Symposium,
Covington, KY; May 12-13, 2006

Surgical Management of Elbow Injuries In Children

High School and Collegiate Sports Medicine Conference, Cincinnati, OH; June 16-18, 2006

Multiple Ligament Knee Injuries

High School and Collegiate Sports Medicine Conference, Cincinnati, OH; June 16-18, 2006

In-Season Management of Chondral Injuries

High School and Collegiate Sports Medicine Conference, Cincinnati, OH; June 16-18, 2006

Surgical Options in the Unstable Shoulder: Open versus Arthroscopic

High School and Collegiate Sports Medicine Conference, Cincinnati, OH; June 16-18, 2006
